DESCRIPTION

Indusmax PP lunch box with a 2200 ml capacity, designed to carry a full meal. Its rectangular shape and airtight lid keep contents secure, while the silicone valve makes opening and pressure release simple. Measuring 25.5 x 17 x 7.5 cm, the robust PP construction is easy to clean and suitable for daily use at work, school or on the go.

The box features two side clasps to lock the lid and rounded edges for straightforward cleaning. The smooth interior minimises hard-to-reach crevices and simplifies maintenance with soap and water.

Customisation available by digital printing, doming, pad printing and screen printing on objects. Ideal for businesses, sports clubs, associations, events or corporate gifts. Minimum order: 10 pieces (colours and sizes combined). Our graphic studio can retouch or vectorise your logo before production.
