DESCRIPTION

The Clauerc bamboo keyring acts as a compact key fob and phone stand with an integrated charging cable featuring a 2-in-1 Type-C & Type-A input and Type-C and micro-B outputs. Crafted from bamboo, it provides a natural finish and a slim profile measuring 2.7 x 1.6 x 19.5 cm, easy to carry on a keyring or in a bag.

The wooden block includes two grooves to support a phone in portrait orientation and a metal ring for attachment. The flat cable splits into three connectors to charge different devices. Care is straightforward: wipe with a dry or slightly damp cloth; do not immerse in water.

Customisable from 50 pieces, this personalised phone accessory can be marked by digital printing, doming, laser engraving or pad printing (tampography). Suitable for companies, clubs, associations, events and corporate gifts; free quote within 24 hours on weekdays, studio support for logo preparation and collection from our Evere workshop or delivery in Belgium, France and Luxembourg.
