Ref. 2298

Reference	2298
Composition	Wood
Material	Wood
Average weight	0.076
Dimensions	6 x 3 x 2CM
Country of origin	China
Carton	100 pieces

DESCRIPTION

The Wodycut pocket multi-tool pairs an acacia wood handle with stainless steel tools for everyday utility. Small (6x3x2 cm), it features seven functions: bottle opener, knife, can opener, file, screwdriver, key ring and a small LED torch (3 button batteries included). Its compact size makes it easy to carry on a key ring or in a pocket.

The wooden finish provides a comfortable grip and natural look while the steel implements fold neatly into the handle. Designed for occasional, practical use rather than heavy-duty tasks, it requires minimal upkeep — simply wipe the wood and metal parts clean and replace batteries when needed.

Customisation options include Digital printing, Doming, Laser engraving and Pad printing. Suitable for companies, clubs, associations, events and private customers; please note the minimum order is 50 pieces (colours and sizes combined). This is a practical choice for personalised tools and torches to distribute as corporate gifts or promotional items.
