DESCRIPTION

Compact backpack for a 15" laptop, designed for professional and urban use. Made from RPET with an RPET lining, it features a padded laptop compartment, two internal pockets, two pen loops and a padded top handle for comfortable carrying. Padded back and shoulder straps improve comfort while the slim rectangular shape and dimensions (41x29x11 cm) keep bulk to a minimum.

The visible finish shows a clean, structured silhouette that holds its shape; a trolley pass on the rear allows easy attachment to cabin luggage. The model is available in several colours, for example Black, Navy and Army Green, and the construction offers the durability expected for everyday use.

This personalised backpack can be decorated by screen printing on objects, multicolour transfer, DTF printing or flex, suitable for companies, sports clubs, associations, events and individuals. Minimum order 10 pieces (colours combined). We provide a free quote within 24 hours on weekdays; standard production and express options, collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
