## DESCRIPTION

Unisex pen in recycled aluminium, Bergamo model, designed for everyday office use and event giveaways. Its slim profile (Ø0.9 x 13.8 cm) provides comfortable handling; a bamboo push-button adds a natural touch while the silver tip and clip offer secure attachment to pockets or notebooks. It comes in several colours, for example Black, Blue and Mint Green. The refill uses blue ink.

The push mechanism and metal clip ensure reliable, simple operation. The recycled aluminium body is easy to maintain—wipe with a damp cloth to remove marks. Lightweight and compact, it suits conferences, trade stands and corporate gifts.

This personalised pen can be marked by laser engraving for a durable, precise finish. Recommended for companies, sports clubs, associations, events and private customers. Minimum order: 250 pieces (colours and sizes combined); smaller quantities may be possible with additional fees.
