DESCRIPTION

Two-piece lunch set including a vacuum insulated double-wall bottle made from recycled stainless steel and a PP lunch box with a bamboo lid and RPET elastic band. The bottle has a straight silhouette and a screw cap with a carry loop for easy transport; the compact lunch box (22 x 23 x 7 cm) holds a full meal and is easy to hand-wash.

The lunch box is leak-resistant and the bamboo lid provides a natural finish while the elastic keeps everything securely closed. The bottle's vacuum construction ensures effective insulation. The set is available in several colours, for example Black and White.

Personalise this set for businesses, clubs, associations, events or private gifts using digital printing, doming, laser engraving, tampography and screen printing on objects. Minimum order: 5 pieces (colours and sizes combined). Request a free quote on weekdays.
