DESCRIPTION

The Emerald vacuum-insulated bottle holds 500 ml (Ø7 x 22.5 cm) and is built for everyday professional and organisational use. Its recycled stainless steel double wall provides thermal insulation while the rubberised finish and silicone loop on the cap make it easy to carry. The cylindrical profile with a screw cap offers a sturdy, modern feel and is convenient to fit in bags or holders.

Practical details include a leak-proof construction and reinforced base for stability. The straight walls and wide mouth simplify cleaning and filling. The bottle is offered in several colours, such as Black, White or Navy Blue.

This personalised bottle can be decorated by digital printing, screen printing on object, laser engraving or pad printing. Well suited to companies, sports clubs, associations, events and private gifting — the item is not available per piece: minimum order 10 pieces (colours combined). Free quote within 24 hours on weekdays; collection from our Evere workshop or delivery in Belgium, France and Luxembourg.
