Automatic lever corkscrew

Ref. 2320

Reference	2320
Composition	ABS
Material	ABS
Average weight	0.475
Dimensions	15 x 3 x 16CM
Country of origin	China
Carton	20 pieces

DESCRIPTION

Automatic lever corkscrew made of ABS with a rubberised finish for a secure grip. The design features a visible metal lever and an ergonomic handle to ease bottle opening while keeping the tool compact (15 x 3 x 16 cm) for convenient storage in kitchens or hospitality environments.

The manual lever mechanism and sturdy extraction worm provide straightforward, stable operation. ABS construction keeps the tool lightweight yet durable, and the rubberised surface reduces slippage during use. Supplied in 1 colour: Black.

This corkscrew is available for personalisation from a minimum order of 10 pieces (colours and sizes combined) and suits businesses, restaurants, hotels, clubs and promotional events. Marking options include laser engraving, pad printing and doming.

COLOURS (1)
