Reference	2331
Composition	Recycled Stainless Steel
Material	Recycled Stainless Steel
Average weight	0.32
Dimensions	Ø6 x 22CM
Country of origin	China
Carton	25 pieces

DESCRIPTION

Unisex 400 ml insulated bottle made from recycled stainless steel with a double wall to help maintain beverage temperature. Its slim, tapered shape offers a comfortable grip and a soft silicone lid provides leak resistance. The bottle's matte finish and compact dimensions (Ø6 x 22 cm) make it practical for everyday use. It is available in several colours, for example black, grey and blue.

The wide mouth facilitates pouring and cleaning, while the screw-on lid secures contents during transport. The smooth exterior and stable base make the bottle easy to handle and store in bags or cup holders.

Customize this personalised bottle using laser engraving or pad printing. Ideal for businesses, sports clubs, associations, events and corporate gifts. Minimum order: 13 pieces (colours and sizes combined) — smaller quantities can be arranged with additional fees. Free quote within 24 hours on weekdays; collect at our Evere workshop or delivery in Belgium, France and Luxembourg.
