## DESCRIPTION

This Scribi 2 gift set contains a metal twist ballpen and a polyester RPET keyring, presented in a compact gift box measuring 16 x 7.7 x 2.7 cm. Designed for corporate gifting and events, the metal-bodied pen offers a refined feel while the RPET keyring provides a practical, recycled-textile touch. Both items are easy to maintain following normal care for metal and textile accessories.

The box includes a fitted insert that secures each piece and protects finishes, making it ideal for presentation at functions. The keyring features a standard split ring with a polyester RPET strap; the pen operates with a twist mechanism. The set is available in several colour options.

This is a suitable option for personalised writing set campaigns for companies, clubs, associations and events. We can personalise by digital printing, screen printing on objects, laser engraving, pad printing, multicolour transfer, DTF printing and flex. Minimum order quantity: 50 pieces (colours and sizes combined). Free quote within 24 h on weekdays; standard production and pickup in our Evere workshop or delivery in Belgium, France and Luxembourg.
