Reference	2336
Composition	Recycled Stainless Steel
Material	Recycled Stainless Steel
Average weight	0.25
Dimensions	Ø7 x 23CM
Country of origin	China
Carton	50 pieces

DESCRIPTION

Vacuum-insulated bottle in recycled stainless steel with a 500 ml capacity, designed for everyday use. The straight body and narrow neck make it easy to hold; it comes with a screw cap with a carry loop and a carabiner for attaching to bags (carabiner not intended for climbing). Leak-proof and robust, suitable for commuting, events or packed lunches. Dimensions: Ø7 x 23 cm.

The bottle has a smooth, utilitarian finish: a sealed screw cap and double-wall construction for insulation. Available in several colours such as black and white. Hand wash recommended to protect the decoration and assembled parts.

Order a personalised bottle using laser engraving, digital printing, screen printing on object, sublimation or pad printing. Ideal for companies, sports clubs, associations, events and private customers. Minimum order: 25 pieces (colours and sizes combined); smaller runs may be possible with additional fees. Free quote within 24 hours on weekdays; collection from our Evere workshop or delivery in Belgium, France and Luxembourg.
