DESCRIPTION

Rafy scarf in stretch RPET polyester, designed for everyday and versatile wear. The rectangular cut measures 18 x 150 cm, providing enough length to wrap around the neck or let it hang; the RPET fabric offers a consistent, soft feel and flexible drape that is easy to care for. Offered in several colours (e.g. Black, Blue, White/Grey), it suits corporate, club or event use where a responsible, durable finish is required.

The visible knit texture and clean, fringe-free edges give a neat, understated look in use. Its stretch properties improve packability and comfort when worn; the hems are tidy and reinforce the scarf without adding bulk. Machine-washable following the manufacturer's instructions.

Personalisation by embroidery is available — a personalised scarf ideal for businesses, sports clubs, associations and events seeking a long-lasting, discreet mark. Minimum order: 40 pieces (colours combined). Our graphic studio can retouch or vectorise your logo and we provide a free quote within 24 hours on weekdays.
