USB rechargeable table lamp

Ref. 2339

Reference	2339
Composition	ABS
Material	ABS
Average weight	0.183
Dimensions	Ø10,6 x 28 CM
Country of origin	China
Carton	12 pieces

DESCRIPTION

Rechargeable table lamp in ABS designed for desk and bedside use. It features 12 dimmable LEDs with progressive brightness control and an integrated 1200 mAh battery providing up to six hours of autonomy. The lamp charges via the included USB Type-A to Type-C cable and measures Ø10.6 x 28 cm, making it compact enough for desks, trade-show stands or hotel rooms.

The lamp shows a stable base with a touch power button, a slim stem and a simple shade; the ABS finish is easy to wipe clean. It is available in several colours, for example black and white, and its proportions keep it unobtrusive while delivering focused light.

Customise this item for companies, clubs, associations or events using tampography, digital printing and doming. This promotional object has a minimum order quantity of 6 pieces; lower quantities may be possible with additional fees. personalised desk accessory.
