Underseat luggage trolley

Ref. 2341

Reference	2341
Composition	ABS
Material	ABS
Average weight	2.12
Dimensions	40 x 20 x 30CM
Country of origin	China
Carton	2 pieces

DESCRIPTION

The Stor under-seat trolley in ABS is designed to fit beneath an aircraft seat (40x20x30cm). This compact hard-shell suitcase shows a double-tube telescopic handle in the photo and runs on four multi-directional wheels for easy manoeuvring. Inside there is a zipped pocket for organising personal items. Surface care is straightforward: wipe clean.

The rigid shell and reinforced corners provide solid protection during frequent travel; the case closes with a zip and features a combination lock to secure contents. Dimensions are optimised to sit under a seat without taking up overhead space.

Order a personalised travel trolley using DTF printing, doming, laser engraving or pad printing. Well suited to companies, sports clubs, associations, events and corporate gifts. Minimum order: 2 pieces (colours and sizes combined).
