DESCRIPTION

Sunny five-panel cap in cotton twill (180 g/m²), built for comfortable everyday wear. Structured cut with a pre-curved peak and reinforced stitching; the five-panel construction gives a clean, utilitarian silhouette suitable for teams, events and workwear. Made of cotton, compact dimensions (20x17x11 cm) for a standard fit. Care: spot-clean stains and avoid harsh machine washing to preserve the twill and shape.

The cap shows visible stitch detailing across panels and peak, with a hook-and-loop rear closure for quick adjustment. Small ventilation eyelets and a top button complete the classic, practical design — good for extended outdoor use.

Make this personalised cap by embroidery, screen printing on objects, multicolour transfer, DTF printing or flex. Ideal for companies, sports clubs, associations, events and private clients. Minimum order: 50 pieces (colours and sizes combined).
