DESCRIPTION

The Gala apron is a long poly-cotton apron (35% cotton, 65% polyester) designed for professional and home catering use. Measuring 75 x 90 cm, its full-coverage cut protects the torso and upper legs while remaining lightweight and durable. The neck strap is adjustable with a metal buckle for a personalised fit.

Two centrally stitched front pockets provide handy storage for utensils or a towel, and the wide side ties secure the apron at the waist. The construction is practical with simple care requirements: an easy-to-wash fabric that performs well in daily use.

This personalised apron is available from a minimum order of 25 pieces (colours and sizes combined). Customisation techniques: screen printing, multicolour transfer, DTF printing, flex and embroidery. Suited to restaurants, catering companies, hotels, schools and associations. Our design studio can retouch or vectorise your logo; free quote within 24 hours on weekdays, collection in Evere or delivery in Belgium, France and Luxembourg.
