DESCRIPTION

The Hamaluz 3-in-1 emergency hammer is a car accessory in aluminium designed for roadside emergencies. Measuring 16.1 x 5.8 cm, it features a COB lamp on the side and front, an emergency hammer head and a seatbelt cutter. A magnet and wrist strap are included, and a built-in 500 mAh rechargeable battery powers the LEDs.

The aluminium construction provides a secure grip and everyday durability. The COB light strip gives useful lateral illumination for tasks or signalling, while the hammer and cutter remain immediately accessible. Compact and lightweight, the unit stores easily in a glovebox or other compartment and can be retained with the magnet.

This personalised car accessory can be marked by laser engraving or pad printing (tampography), both suitable for metal surfaces. Recommended for companies, sports clubs, associations, events and corporate gifts. Minimum order: 30 pieces (colours and sizes combined). Contact us for a free weekday quote.
