DESCRIPTION

A5 RPET notebook with faux-leather details and a rigid cork cover, designed for professional and organisational use. The replaceable A5 refill contains 128 lined pages (64 leaves) housed in a cardboard binding. It includes a pen holder, two business card slots and a large compartment for loose documents. Elastic closure with a metal detail and compact dimensions (17.5 x 2 x 23 cm) make it practical to carry and use; surface cleaning is recommended for the faux-leather and cork areas.

The thoughtful finishes include a sturdy cork cover, textured faux-leather detailing and a metal tab closure; the refillable notebook system lets you keep the cover and replace the pad as needed.

This personalised notebook can be printed by screen printing (screen printing on objects), multicolour transfer, DTF printing or flex, depending on the desired result. Suitable for companies, sports clubs, associations, events and private customers. Minimum order: 10 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; our graphic studio can vectorise or retouch your logo.
