DESCRIPTION

The Xandle+ LED wax candle in glass offers a safe decorative option with a realistic LED flame. The cylindrical glass surrounds an imitation wax insert; the item is intended for indoor use and measures Ø7.5 x 10 cm. It runs on 2 AA batteries (not included). The glass construction provides a neat, stable finish and is easy to keep clean by dusting and replacing batteries as needed.

This candle can be personalised using suitable techniques for glass items: digital printing, pad printing and screen printing. A practical choice for businesses, clubs, associations, events or individuals seeking personalised candles as promotional gifts or décor. Minimum order: 20 pieces (colours and sizes combined). A free quote is available on weekdays.
