DESCRIPTION

The Boowie straw hat is made from woven straw with a modest brim and a well-defined crown, measuring Ø27x12cm for a comfortable fit suitable for outdoor and promotional use. The polyester band around the crown is supplied separately for unbranded orders, which simplifies storage and preparation for decoration. Care: professional delicate cleaning is recommended to protect the straw material.

In practice the hat offers a slightly upturned brim and a flexible construction that keeps its shape while remaining breathable due to the open weave. The trimmed band gives a refined look without adding bulk; the hat is easy to carry and store thanks to its compact proportions.
