DESCRIPTION

The Bagga 18L backpack is designed for day hikes and everyday use, with a padded compartment for a 15" laptop. This unisex model is made from PET (420D water-repellent nylon noted in the product sheet), with padded shoulder straps and back for added comfort. Available in 1 colour: black. The synthetic fabric is easy to clean and quick-drying.

Features include a zippered front pocket, a front compartment secured with a buckle, two side pockets and a main zip opening. A reflective strip enhances visibility; compact dimensions (29.5 x 11 x 50 cm) make it suitable for short trips or daily commuting. Visible reinforcements at stress points and a top carry handle add practical durability.
