DESCRIPTION

Small ceramic fondue set for two, model Kase, with a 240 ml ceramic bowl seated on a metal stand and two metal fondue forks with wooden handles. The compact dimensions (10 x 10 x 13 cm) make it practical for small tables and intimate settings. The set is available in several colour options including white.

The bowl shows a smooth ceramic finish and clean lines, while the black metal stand lifts the bowl to accommodate a tealight (not included). The wooden-handled forks add a tactile contrast and are supplied with the set; there are no other removable parts visible.

Ideal as a personalised kitchen utensil: we can mark the ceramic by screen printing, pad printing or laser engraving to add your logo. Suited to businesses, hospitality, clubs, associations, event giveaways and private gifts. This product is not sold per piece — minimum order 5 items (colours and sizes combined). Free quote within 24 hours on weekdays; standard production and collection from our Evere workshop or delivery in Belgium, France and Luxembourg.
