## DESCRIPTION

Fawtt folding wireless charger in RPET-PU, providing up to 15W wireless charging. Its two-part design forms an angled stand so you can use your phone upright while charging. Compact when folded (11.4 x 6.5 x 1.3 cm), it slips easily into a bag. The recycled textured surface gives a secure grip and is simple to wipe clean with a damp cloth.

The charging area is marked by a subtle circle; the unit shows rounded corners and a foldable construction without visible fastenings, offering stable everyday use at the desk or during events.

This personalised wireless charger can be branded by pad printing or screen printing, with a minimum order of 30 pieces (colours and sizes combined). Suitable for companies, sports clubs, associations, events and corporate gifts; our studio can retouch or vectorise your logo before printing.

## COLOURS (1)
