DESCRIPTION

The Margot women’s jacket features a tailored, cinched cut designed for a professional feminine silhouette. It includes a notched lapel, fitted shaping and a buggy lining for added comfort; the polyester, viscose and lycra blend provides structure with a soft handle. Available in several colourways, for example Denim and Sand, and sizes 34 EU to 46 EU.

The jacket shows two slanted pockets and a jetted pocket, with topstitching that defines the lines. The fabric is highly durable (Martindale > 90,000), offering good wear resistance in everyday use; follow garment care instructions to maintain fit and lining.

Ready for branding: personalised costume options include screen printing transfers, MSO transfer, DTF printing, flex and embroidery. Suited to companies, sports clubs, associations, events and private customers — customisation possible from one piece, with our in-house graphic studio to prepare or vectorise your logo.
