DESCRIPTION

Women’s slim-cut trousers designed for a professional, comfortable fit. The polyester/viscose/lycra blend provides good stretch and shape retention, suitable for active daily wear. Available in several colours including Denim and Sand and in sizes 34 EU to 46 EU, this piece works well for staff, hospitality or promotional use where a neat appearance is required. The fabric is highly durable for frequent wear.

The style features a mid waist with an elasticated waistband and hook-and-bar closure, slanted side pockets and two faux back pockets. The narrow leg and absence of a hem at the leg end create a clean, elongated silhouette. The very stretchable fabric enhances comfort when sitting or moving, and the finish is designed for regular use.

These trousers can be personalised from a single item: personalised trousers for teams and events. We offer embroidery, DTF printing, flex, screen printing and transfer options, plus embroidered badges. Suitable for companies, sports clubs, associations, schools and private customers seeking a professional customised garment.
