Reference	2403
Composition	Stainless steel
Material	Stainless steel
Average weight	0.104
Dimensions	Ø6.5 x 19CM
Country of origin	China
Carton	50 pieces

DESCRIPTION

The personalised bottle Remid Moss is a 500 ml single-wall bottle made from stainless steel with 90% recycled content. With dimensions Ø6.5 x 19 cm, its straight, smooth body is lightweight and practical for everyday use. The cap features a loop and a carabiner for attachment to bags. As a single-wall item, some heat transfer can occur between the contents and the outer surface; the product is specified as leakproof.

Offered in several colours — including red, navy and white — the bottle has a simple cylindrical profile with no integrated handle apart from the cap loop shown in the photo. Its stainless surface is easy to clean. Note that sublimation printing is available only on the white version and, due to the single-wall construction, temperature from hot or cold drinks may be felt at the exterior.

Customisation starts from 25 pieces (colours and sizes combined). Available marking methods: digital printing, laser engraving, screen printing on the item, pad printing and sublimation (sublimation only on white). YourVisualHere provides a free quote within 24 h on weekdays; collection in Evere or delivery in Belgium, France and Luxembourg.
