DESCRIPTION

These personalised reflective items Allvisible+ are made of PET and meet EN17353 (TYPE-B3). Worn in an X configuration across the torso, they measure 51x56 cm and feature 360° silver reflective strips to improve visibility for outdoor work and events. The design is practical and easy to care for.

The product includes adjustable shoulder and waist straps with quick-release buckle at the front for fast fitting. Reinforced stitching at the cross keeps the item durable, while the smooth PET surface is suitable for regular use by staff, volunteers or runners.

Customisation options for companies, clubs, associations and events include DTF printing, digital printing, screen printing on objects, doming, multicolour transfer and flex. Minimum order: 25 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
