DESCRIPTION

Small gift bag made of RPET felt in a vertical rectangular format (17 x 6 x 22 cm), designed to present small gifts and promotional items. Its gusseted base lets the bag stand upright while the 1 mm felt gives a structured yet lightweight look. The bag is offered in several colours, for example black, red or stone grey.

The bag features top-stitched handles and reinforced seams at the sides and base to improve durability. With no fastening, it is quick to use for retail displays and gift assemblies. The RPET felt is easy to care for and maintains its shape through repeated use.

As a personalised gift bag it can be decorated using DTF printing, flex, screen printing on objects or multicolour transfer, depending on the desired finish. Suitable for companies, shops, associations, events and private customers. Minimum order: 100 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; collection at our Evere studio or delivery in Belgium, France and Luxembourg.
