DESCRIPTION

Compact gardening kit in paper designed for growing sunflowers (Helianthus debilis). The pot includes a biodegradable peat tablet and seeds; at 4.3 x 4.3 x 4.5 cm it's a handy, eco-friendly giveaway for events or promotional packs. Its square shape and flat faces make it easy to store and suitable for marking.

The kit features smooth outer surfaces and a simple assembly that holds up for sowing. Care: use for sowing and transplant the seedling outdoors when ready. Supplied ready to use, no additional accessories included.

Customize this item with digital printing, laser engraving or pad printing depending on the desired finish. Perfect for companies, sports clubs, associations, events and private individuals looking for a practical, sustainable promotional item. Minimum order: 192 pieces (colours and sizes combined).
