DESCRIPTION

Double-walled 500 ml bottle made from recycled stainless steel, designed to keep drinks insulated and reduce condensation. It features a PP screw cap with an integrated cord handle for easy carrying. The slim profile (Ø6.5 x 25 cm) fits most bag pockets and cup holders; the 500 ml capacity is suitable for office use, commuting or light outdoor activities. Simple care: rinse after use and avoid dishwasher if you want to preserve the finish.

The bottle is offered in several colours (for example Black, White, Royal Blue) and presents a streamlined shape with a leak-resistant cap. The recycled stainless steel body provides solid everyday durability and the cord handle improves portability. Compact dimensions make storage straightforward.

Customisation available — personalised bottle — using Digital printing, Laser engraving, Screen printing on item, Sublimation or Pad printing. Ideal for companies, sports clubs, associations, events and private customers. This item cannot be ordered per piece: minimum 13 units (colours and sizes combined); smaller quantities may be possible with additional fees.
