DESCRIPTION

The Corchaso cork pencil case is designed to store writing tools neatly while remaining compact for daily carry. Its rectangular shape (7x7x20.5cm) provides practical internal volume for pens and pencils without taking up much space in a bag. The cork material gives a natural feel and good structural stability, with coloured inlays adding visual interest while preserving the material's texture. This is not a textile item; spot-clean with a damp cloth when needed.

A full-length zip runs across the top for easy access to contents; seams and finishes are made for regular use. Available in several colour options (for example beige). Please note: minimum order 100 pieces (colours and sizes combined) — this item cannot be ordered per piece.

Customisable by DTF printing, flex, screen printing on objects and multicolour transfers. Suited to companies, sports clubs, associations, schools, events and individuals looking for a sustainable, natural promotional item. Free quote within 24 hours on weekdays; our graphic studio can retouch or vectorise your logo.
