DESCRIPTION

Foldable wireless headphones in ABS, model Tone, built for portable everyday use. The adjustable padded headband and soft ear cushions provide comfortable wear for extended listening, and the foldable design keeps the set compact for travel. It features a rechargeable Li-ION battery charged via Type-C cable, with an estimated runtime of several hours and a Bluetooth range of about 10 m. Dimensions: 18.8 x 15 x 8 cm.

The headphones include an integrated microphone for hands-free calls and controls on the earcup for volume, playback and pairing. The ABS construction is lightweight yet durable, with a matte textured finish on the headband and earcups for a secure feel. The folding hinges allow easy storage and make this model practical for mobile staff, events or promotional packs.
