DESCRIPTION

The Linea is a compact phone accessory housed in recycled ABS with an 80 cm retractable cable featuring a 2-in-1 input (Type-C/Type-A) and a 2-in-1 output (Type-C/micro-B). Its flat cable and small footprint (5.3 x 5.3 x 1.6 cm) make it easy to store in a bag or drawer—useful for trade shows, office kits and everyday travel. The recycled ABS casing provides a discreet, sturdy finish and the retractable mechanism operates smoothly.

The softly rounded square casing and flat lead reduce tangling and ensure comfortable handling. Multiple connector options increase device compatibility without extra adapters, making this item practical as a giveaway or inclusion in welcome packs.
