DESCRIPTION

This highlighter features a white RPET body with a removable cap and a chisel tip for precise highlighting. Compact (10.5 x 2.7 x 1.6 cm), it includes a side window to check ink level and is easy to clean with a damp cloth. It comes in several colours, including Fluorescent Yellow, Fluorescent Orange and Fluorescent Fuchsia.

Designed for everyday use at the office, in schools or at events, the cap protects the tip from drying out and the body shape ensures a secure, comfortable grip for continuous marking.
