Reference	2428
Composition	ABS
Material	ABS
Average weight	0.07
Dimensions	7 x 3.8 x 3.3CM
Country of origin	China
Carton	200 pieces

DESCRIPTION

Rechargeable unisex headlamp in ABS, compact and lightweight. It features a single LED (around 50 lumens) with three lighting modes and a built-in rechargeable battery (charging cable included). At 7 x 3.8 x 3.3 cm it is suited to short tasks, DIY, walking or any hands-free activity requiring focused light.

The image shows a unit fitted with an adjustable elastic headband for secure wear; the housing is rounded with an easy-access control button. The ABS construction gives a smooth finish and simple care — wipe clean with a damp cloth to remove dirt and dust.

This item can be customised by tampography and screen printing on objects. Available by batch (minimum 100 pieces, colours and sizes combined), it is aimed at companies, clubs, associations, events and public bodies. Our graphic studio can rework or vectorise your logo prior to production.
