Rechargeable bike light set

Ref. 2429

Reference	2429
Composition	ABS-PC
Material	ABS-PC
Average weight	0.071
Dimensions	9 x 4 x 5CM
Country of origin	China
Carton	100 pieces

DESCRIPTION

The Blight bike light kit includes two compact ABS-PC modules designed for cycling use (handlebar and saddle). Each unit features a built-in 100 mAh rechargeable battery and three lighting modes, delivering a practical balance of visibility and compactness. Dimensions are 9 x 4 x 5 cm and the product is supplied in 1 colour (Black).

The set comes with two silicone mounting straps and a charging cable for quick tool-free fitting to the handlebar or seatpost. The ABS-PC housing offers resistance to minor impacts and is easy to wipe clean. Having both a front and rear module in the kit provides a coordinated solution for increased road presence.

This personalised bike light is suitable for pad printing (tampography) to apply clear logos on plastic. Minimum order: 50 pieces; recommended for companies, sports clubs, associations and event organisers seeking practical, brandable cycling accessories. Free quote within weekdays and a graphic studio is available to vectorise your logo.
