## DESCRIPTION

Compact indoor game in wood, suitable for calm play inside. The set includes 6 pins and 1 ball presented in a cotton drawstring bag; the pieces are made from smooth FSC®-certified wood as stated by the supplier. Overall dimensions are approximately 11 x 12 cm, making the kit easy to store and transport. Intended for children, clubs and activity sessions, it is simple to handle and can be wiped clean with a dry or slightly damp cloth.

The pins feature a traditional rounded profile with a sanded finish to reduce splinters and provide a comfortable grip; the ball is solid and sized for indoor use. The cotton bag protects the set and keeps everything together between games.

Customisation available by screen printing on objects, multicolour transfer, DTF printing or flex, either on the wooden pieces or the cotton bag. Ideal for companies, sports clubs, associations, events and private customers. Minimum order: 15 pieces (colours and sizes combined) — smaller quantities can be arranged with additional fees. Our studio can vectorise or retouch your logo for production.
