DESCRIPTION

Five-panel cotton cap designed for regular outdoor use. It has a classic baseball cut with a curved visor and cotton construction that provides structure and breathability. The metal buckle at the back allows easy adjustment. Dimensions are 27x16 cm; follow gentle washing instructions appropriate for cotton.

Practical details include an integrated light within the visor sandwich to improve visibility in low light, plus a small light at the front edge of the peak. Visible panel stitching gives the cap good hold and the visor is semi-rigid for consistent shape.
