DESCRIPTION

This compact recycled-aluminium power bank, model Pawtt, combines a 5000 mAh battery with a 15W magnetic wireless charger in a slim, flat housing (6.7 x 10.2 x 0.95 cm). It features a Type-C input/output with Power Delivery support and fast-charge compatibility up to 20W for modern devices. The top surface includes a circular magnetic charging pad; four LED status indicators and a discreet power button sit along the edge. The metal finish is easy to wipe clean.

The robust recycled-aluminium construction provides a neat, professional look and everyday durability. Its slim profile makes it easy to slip into a laptop bag or pocket, ideal for trade shows, corporate travel and on-the-go use where compact, reliable charging is needed.

As a promotional item for businesses, clubs, associations and events, this personalised power bank is available from a minimum order of 20 pieces (colours and sizes combined). Customisation options include pad printing, digital printing, doming and laser engraving. Free quote and in-house artwork studio available to prepare or vectorise your logo prior to production.
