DESCRIPTION

Double-walled PP cup with a 300 ml capacity, designed for both hot and cold drinks. Its straight profile and cork base provide a natural look and stable grip. Available in several colours including Black, White and Beige, it is lightweight and easy to handle. Size: Ø8 x 12 cm.

The cup features a sliding lid to reduce spills and a double-wall construction to limit heat transfer to the hand. The cork base protects surfaces and improves stability. Hand wash recommended for parts containing cork; no additional machine-wash instructions are assumed.

Customize this personalised cup using screen printing on items or pad printing — suitable for companies, sports clubs, associations, events and personalised gifts.
