Pack of 15 adhesive plasters « Ouch » supplied in a recycled paper box. Each plaster measures 9.2 x 3.9 x 1.2 cm and features a paper backing with a central absorbent pad, suitable for small cuts and abrasions. The compact, lightweight pack is convenient for a first-aid kit or drawer and uses recycled packaging to reduce plastic.

The plasters are simple to apply and remove thanks to their adhesive strip, while the central pad protects the wound during healing. Individually wrapped for hygiene until use. The item is available in 1 colour: beige, with a natural paper box.

You can personalise these plasters for corporate events or first-aid kits using digital printing or pad printing. Minimum order: 200 pieces (colours and sizes combined). Suitable for companies, sports clubs, associations, events and individuals looking for personalised plasters.
