DESCRIPTION

Set of four borosilicate glass straws supplied with a cleaning brush, designed for everyday use. Model Glaw features a straight profile and a practical length suitable for glasses and bottles; the borosilicate material gives a smooth finish and good chemical resistance. Dimensions: 20 x 8 x 1 cm. This item is a piece of tableware for lunch settings and intended for adult or collective use.

The set includes a fine-bristled brush for easy maintenance and a compact gift-style box. The straight shape of the straws simplifies rinsing and storage. The boxed presentation is suitable for corporate gifting or event packs; handle as you would any glassware and clean with the brush or in a dishwasher when necessary, taking standard precautions.

Customisation available by digital printing and pad printing for marking the box or an appropriate area on the product. Minimum order: 30 pieces (colours and sizes combined) — not available per piece. Recommended for companies, events, associations, clubs and promotional gifts. YourVisualHere provides a graphic studio to prepare or vectorise your logo.
