## DESCRIPTION

Compact PU star stress toy designed for indoor use, promotional events and giveaways. The Starly model measures 7.8 x 7.8 x 3.2 cm, offering a soft, smooth grip that suits both children and adults. It is available in several colours — for example blue, red or yellow — and wipes clean easily, making it practical for repeated handling at receptions or fairs.

The rounded edges and cushioned profile give a comfortable hand-feel while the PU material provides a consistent surface and good wear resistance for everyday use. Its small size makes storage and distribution straightforward at events, school activities or club gatherings.

Customize the star using laser engraving, pad printing (tampography), multicolor transfer, DTF printing or flex. Ideal for companies, clubs, associations, events and private customers. Minimum order: 125 pieces (colours and sizes combined); smaller quantities can be arranged with additional fees. Free quote within 24 hours on weekdays.
