Ref. 2454

Reference	2454
Composition	PU
Material	PU
Average weight	0.011
Dimensions	Ø4CM
Country of origin	China
Carton	500 pieces

DESCRIPTION

This PU spherical keyring, model Cirkely, is a simple, playful accessory for indoor games. With a diameter of Ø4CM it has a smooth, slightly glossy surface and a compact, easy-to-handle shape. The PU material gives it good everyday durability and makes cleaning straightforward with a damp cloth.

The keyring is attached by a small metal split ring and a short chain, making it easy to hook to a key set or bag. It comes in several colours, for example blue, red and yellow, and the even finish provides a clear surface for marking. Minimum order quantity: 250 pieces (colours and sizes combined).

This personalised keyring can be marked by laser engraving and pad printing, techniques we offer for companies, sports clubs, associations, events and private customers. Promotional items have product-specific minimums; a free quote is provided within 24 hours on working days.
