Safety helmet in ABS

Ref. 2456

Reference	2456
Composition	ABS
Material	ABS
Average weight	0.417
Dimensions	27,5 x 23,5 x 15,5CM
Country of origin	China
Carton	24 pieces

DESCRIPTION

ABS safety helmet designed for construction and industrial use, unisex with an adjustable head circumference of 51–63 cm. It features ventilation slots and a sweatband for improved comfort during extended wear. A removable chinstrap allows adaptable retention; EN397 compliance is stated by the supplier.

The shell has a short brim and moulded venting, providing protective coverage without restricting forward vision. Dimensions approximately 27.5 x 23.5 x 15.5 cm, with a smooth ABS finish and attachment points for accessories.

Customisation options include tampography, digital printing and doming to apply logos and markings. Available in several colours — for example White, Yellow and Royal Blue — and supplied with a minimum order of 12 pieces (colours combined). Suitable for companies, construction teams, clubs, associations and events looking for a personalised helmet.

COLOURS (3)

White

Yellow

Royal Blue
