DESCRIPTION

3-in-1 bamboo wireless charger designed for desks and bedside tables. This foldable station includes a 15W magnetic wireless charger, a charging spot for smartwatches (Apple only) and a zone for TWS earbuds. The angled stand with a rounded front lip keeps a smartphone upright and aligned with the magnetic charger; chamfered edges and a smooth finish give it a natural, tactile feel. Dimensions: 13.9 x 13.1 x 2.7 cm.

The unit folds flat for easy transport and storage, while the angled support provides stable positioning on flat surfaces. Bamboo gives a warm, sturdy appearance — wipe with a dry or slightly damp cloth and avoid harsh cleaners to maintain the finish.
