DESCRIPTION

700 ml lunch box in PP designed for taking meals to work, on the go or to events. The body is made of PP with a bamboo lid, rectangular shape with rounded corners and compact dimensions Ø18X10.5X7CM for a practical capacity. Unisex model, easy to handle and convenient to store in a bag or locker. Care is straightforward: wash the PP body by hand or use a dishwasher according to your routine, and wipe the bamboo lid to maintain its finish.

The box is secured by two side clasps that hold the lid in place and make it easier to carry. The bamboo lid provides a natural, flat surface that can double as a small cutting or serving board during breaks. Available in several colours such as Black, White or Navy, its compact proportions suit individual portions.
