DESCRIPTION

Practical and lightweight, the Aluminate aluminium torch measures 2.3 x 10 cm and fits comfortably in a pocket or bag. Its cylindrical, matte-finish body and wrist strap ensure a secure grip. The torch features a single LED (50 lumens) with three lighting modes and a built-in 400 mAh rechargeable battery; a charging cable is included for convenient portable use.

The design includes a discreet end-mounted switch and a protected charging port. The aluminium construction provides durability without weight, and maintenance is straightforward—wipe clean with a cloth. It is offered in several colours, such as black, dark green and navy.

This torch can be personalised by laser engraving or pad printing, both suitable for marking metal items. Recommended for companies, sports clubs, associations, events and private individuals needing a personalised torch. Minimum order: 100 pieces (colours and sizes combined). Free quote within 24 hours on weekdays and our design studio can vectorise your logo.
