## DESCRIPTION

Unisex motion-sensor lamp in ABS, compact (6 x 18 x 3.5 cm) and lightweight, ideal for cupboards, corridors, children's rooms and other passage areas. Its slender tubular profile with an opal diffuser provides soft, even illumination. It features an integrated rechargeable battery (charging cable included) and a magnetic base; a 3M adhesive pad is supplied for wall mounting. Care is straightforward: wipe with a soft dry cloth.

The lamp incorporates a discreet motion sensor and a push button, and can be used fixed to its base or detached and used as a portable light thanks to the magnetic mount. The ABS construction ensures reliable everyday indoor use.

Order this personalised lamp with digital printing or pad printing for companies, sports clubs, associations, events or as gifts for private customers. Minimum order quantity: 50 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; our design studio can retouch or vectorise your logo. Collect from our Evere workshop or opt for delivery in Belgium, France and Luxembourg.
