DESCRIPTION

Unisex outdoor and sports bag made from RPET ripstop, rated IPX6 for splash protection. With a 1.5 L capacity and dimensions of 17.5 x 24.5 cm, its cylindrical shape is suited to holding small essentials for water-based activities or outdoor trips. The RPET fabric gives a structured, ripstop finish that is easy to wipe clean and durable for repeated use.

The roll-top closure secures with a woven strap and clip buckle to maintain watertight integrity. Seams appear reinforced and a small RPET tag loop is positioned near the opening for identification or attachment. Its compact size makes it useful as a dry pouch or secondary compartment inside a larger bag.

Suitable for businesses, clubs, events and individuals, this item can be made into a personalised sports and outdoor bag using DTF printing, flex, screen printing on objects or multicolour transfer. Minimum order: 100 pieces (colours combined). Free quote within 24 hours on weekdays; standard production time 10 working days.
